Directions from Alicante Airport

After leaving the airport car park exit you approach the N338.

Turn left heading for Murcia, Cartagena and Torrevieja on the N338.

Join the A-70 at junction 72 and head for Murcia, Cartagena and Torrevieja.

Stay on A-70 for approximately 10 kms, then change to the A7.

Follow A7 for approximately 15 kms then change to the AP 7 following signs for Cartagena and Torrevieja.

Continue along AP 7 for approximately 40 kms.

You will pass through a Toll area, this will cost you about 1.50 / 2.00 euros.

Not long after you will see signs for La Zenia, leave the AP 7 at Junction 763, you will again pass through your final Toll area, again this is about 1.50 / 2.00 euros.

After leaving the Toll Booth follow exit until traffic island, then turn right on to main road.

Follow this road for approximately 800 yards past the large supermarket on your right. You will now be driving over road humps (know you are on right road).

You will now approach a traffic island, turn right second exit on to main N332 road.

Follow N332, at next island go straight across, 2nd exit, still on N332.

Now start looking for a slip road to your right signposted Orihuela (there will be a bridge beyond the slip road, turn right before it).

Follow slip road for approx 250mtrs and then turn right at the top (restaurant in front of you). As you turn right you will go past the restaurant and golf store, followed by a Garden Store.

Follow road you will go over the Motorway you have just left, continue to traffic island. At traffic island go straight across taking 2nd exit, there will be a group of buildings to your right on the island, these are bars and restaurants.

Just another few hundred metres further take the next right, just before ALDI supermarket, take first left after 25 metres and go past ALDI with it now on your left.

Follow road and as it bends to the right you will see two little roads to your left, the first one will have a "No Through Road" sign (this leads to your swimming Pool) the second in between two blocks of villa's is your road to the villa (R5). Follow to the bottom and the gates at the bottom are to your villa.

Enjoy your stay.
